

Internship report of the 4th semester for the year 2025-2026

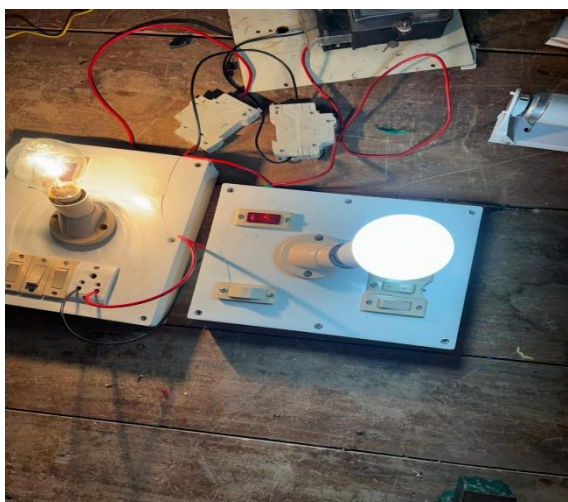

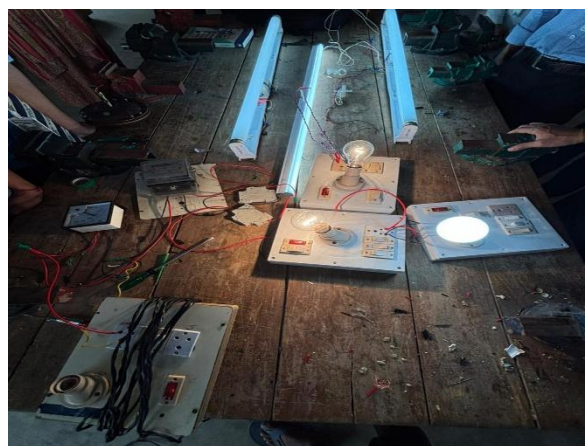

Department of Physics

Report on Internship Training Programme Conducted at ITI Salakati, Kokrajhar

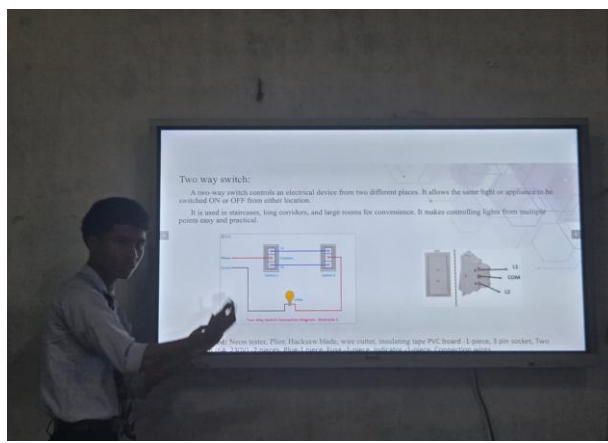

As a part of the FYUGP curriculum, the B.Sc. 4th-semester students of the Department of Physics, Basugaon College, successfully completed a **30-hour internship programme** at the Industrial Training Institute (ITI), Salakati, Kokrajhar. The internship aimed to provide students with practical exposure and skill-based learning in the field of basic electrical engineering and wiring practices, thereby complementing their classroom learning. During the internship period, the students received hands-on training in various electrical installations and testing procedures. The training modules included one-way and two-way switch connections, electrical board wiring and testing, ceiling fan installation and servicing, consumer energy meter connections, and electrical circuit testing using instruments such as ammeters and multimeters. The students also learned the installation and operation of fluorescent lamps, casing-capping wiring systems, and conduit wiring techniques.

The internship enabled students to gain practical knowledge of electrical components, safety measures, troubleshooting methods, and the use of measuring instruments. Under the guidance of the instructors at ITI Salakati, the students actively participated in practical sessions and developed essential technical skills relevant to domestic and industrial electrical systems. Overall, the internship programme proved to be highly beneficial in enhancing the students' practical competencies, problem-solving abilities, and employability skills. It provided valuable industrial exposure and enriched their learning experience by integrating theoretical concepts with real-world applications.

Subject: Request for permission to allow 4th Semester students to undergo a 30-hour internship.

Respected Sir,

With due respect, I would like to state that as part of the academic curriculum, the 4th Semester undergraduate students of the Department of Physics and Mathematics, Basugaon College, are required to undergo a 30-hour internship programme. In this connection, I kindly request your esteemed institution to grant permission for our students to carry out the said internship at ITI Salakati. A total of 16 (sixteen) students will be participating in the programme.

We assure you that all the students will strictly abide by the rules and regulations of your institution during the internship period. The college will take full responsibility for their discipline and conduct.

I shall be highly obliged if you kindly consider our request and extend your cooperation.

List of students from the Department of Physics and Mathematics

The following are the names of 4th-semester students from the Departments of Mathematics and Physics who are going to undergo the internship programme:

Department of Physics:

1. Hariswaran Narzary
2. Prabin Brahma
3. Ashraful Ali Mandal
4. Dhananjay Ray
5. Hayen Narzary
6. Sonashtomi Basumatary
7. Jashmi Narzary
8. Prithviraj Boro

04/02/2026
HOD
Department of Physics
Basugaon College
Basugaon

Department of Mathematics:

1. Banjit Wary
2. Jitumoni Basumatary
3. Suraj Chakraborty
4. Manjit Basumatary
5. Gwmsar Basumatary
6. Rockster Narzary
7. Prabin Brahma
8. Sangita Basumatary

4/2/2024
Department of Mathematics
Basugaon College
